

**Welcome to
Drinkstone**

Welcome to Drinkstone

We know there is a lot to do when you settle into a new place without worrying about where your nearest shop/vet/ petrol station is, or which bin is collected on which day. With this in mind, we thought it would be useful to gather together as much local information as possible for all newcomers to this lovely village.

We hope you will find it useful. Neighbours are often the first point of contact in a community, but please feel free to contact the Parish Councillors, the Rector or Churchwarden for any information and help that you may need.

About Drinkstone

Drinkstone is unusual in that it has no village centre. It is widespread geographically in three clusters, Drinkstone (Church end), Drinkstone Park and Drinkstone Green to the south. We have two telephone exchange codes (01359 & 01449), Drinkstone Green end comes under the Stowmarket exchange, while the rest of the village comes under Pakenham.

The resources seem modest – about 650 people, a Playing Field (known locally as the 'Cricket'), two allotment sites, two Windmills, a 14th century Church and a Village Hall, opened in 2013. But there is much going on beneath the surface. A considerable number of clubs, sports, activities and social events take place in the village.

Drinkstone is a quiet, unspoilt village, surrounded by beautiful countryside. It is classified as a 'Hamlet' in the Mid Suffolk Local Plan which means that development will only be permitted within the settlement boundary and subject to strict criteria. We have few facilities—yet nowhere is far away. Day to day shopping needs, plus a Health Centre and Pharmacy can be found in Woolpit—only two miles away. Just about everything else can be found in Bury St Edmunds (7 miles) or Stowmarket (5 miles).

Drinkstone has an extensive footpath network. A map showing all the paths can be found on the *Useful links and information* section of the Village Website; see page 4 for website address.

Primarily a means of passing information quickly around the village using email. This information falls in the following categories; Invitations to Drinkstone Events/Activities, Warnings/Alerts, General information, Items available. This service is administered by a small team of volunteers. Requests to subscribe to this service and items for inclusion should be sent to drinkstonejungledrums@gmail.com

Parish Council

The current council was elected in May 2023 in an uncontested election. A list of the current councillors with contact details can be found on the PC www.drinkstonevillage.co.uk/parishcouncil.

Council meetings are open to all parishioners and members of the public. Meetings are held in the Village Hall 8 times during the year, generally on Mondays at 8 pm. The schedule of meetings can be found on the Parish Council website together with past minutes and many other documents. The agenda for each meeting is issued by the Parish Clerk in advance via the Drinkstone Information service.

The council is currently directly responsible for providing and managing the allotments, maintaining the playing field and the play equipment, providing waste bins, seats and maintaining the village sign. There are two allotment sites in Drinkstone, in Rattlesden Road and in Gedding Road. Further information can be found at <https://www.drinkstonevillage.co.uk/parishcouncil/allotments/>

The Parish Council are statutory consultees on all planning matters. Drinkstone has a Neighbourhood Plan which can be found at <https://www.midsuffolk.gov.uk/documents/d/mid-suffolk/drinkstone-np-referendum-version>

The Parish Council works closely with Suffolk County Council to maintain footpaths and highways and is the first port of call to report any highways or rights of way problems.

If you need to contact the Parish Council for any reason please email the Parish Clerk on drinkstoneclerk@gmail.com

And finally

We know it is not easy to know who to contact for service and advice when you are new to a place. This resource is intended to help with first steps but we are not making specific recommendations regarding tradespeople and services; that is not our remit. The Parish Magazine (see Local Information Services on page 4) is an invaluable source of information about what's going on and has a considerable number of advertisements for local facilities and services.

If you cannot find what you are looking for in Drinkstone, the surrounding villages all have their own websites where you can find details of activities and events a little further afield. Woolpit, Elmswell and Thurston in particular, are much bigger villages and offer a wider range of facilities together with more extensive sporting and leisure activities.
