Drinkstone

Our village—Our choices

Dear Neighbour

This is a unique opportunity for YOU to shape and guide the future development of the village.

We hope by now you have heard of the Drinkstone Neighbourhood Plan, which was launched in September. The Neighbourhood Plan is being led by residents working with your Parish Council. We want everyone to have their say.

This questionnaire is the next stage in our programme of public consultation, following the Annual Parish Meeting and the public Drop in Day in September. It reflects issues raised by residents at these events. If there are issues you feel strongly about which are not included, there is space at the end of the questionnaire to raise these.

The questionnaire will help to guide future development in the village, as well as helping us to protect, and to improve what we value about our community.

We are distributing one paper copy of the questionnaire to each household, and we hope everyone will complete it.

We have gone to great lengths to ensure total anonymity of responses. The questionnaire contains no identifying information that can be linked to a particular household or individual. The Submission Id on the label at the top of the front cover is for security purposes only and is not known to the questionnaire team or your street representative (the person who has delivered and will collect your questionnaire).

What do I need to do?

A paper copy of the questionnaire will be delivered to you by your street representative. The sealed envelope will contain:

- A paper copy of the questionnaire. It consists of Part 1, all about Your Village, and Part 2, a Housing needs survey.
- Another envelope in which to return your completed questionnaire.
- Two copies of your prize draw ticket.
- A small envelope in which to return your prize draw ticket if you wish to enter the draw (unless you are completing the questionnaire online—please see the next page).

You need to complete and submit the questionnaire by 12th November.

You can complete the questionnaire on paper OR online. For online, please see the next page.

On paper

Please fill in the questionnaire, enlisting the views of others in your household. Put the completed questionnaire in the supplied envelope.

Please note the prize draw ticket also does not contain any identifying information. Put one of them in the small envelope, and put that in the big envelope along with your completed questionnaire.

This package will be collected by your street representative.

Full instructions for completion of the online survey will be available when you access the questionnaire.

Section B: Your views on housing development in the village

Drinkstone currently has 252 homes. Apart from the Cherry Tree site, with its 15 new homes, for the last 10 years no new development has been permitted in the village - until this year, when permission was granted for 4 new houses. Under Mid Suffolk's new Local Plan we do not know how much more development we can expect. All we know is that "no development" is not an option. But we can influence the location of new development so that we maintain the general character and layout of the village to try to meet the needs of local people, and minimise adverse effects on local infrastructure, facilities and the environment.

B1: Apart from the Cherry Tree site (15 houses) the village has grown organically over the last 15 years, with 11 new houses built and around 4 conversions. In your opinion, how many new houses should be built in the village in the next 15 years? *Tick one only*

Thank you for completing Part 1 of the questionnaire. As soon as they are ready the results will be shared at a public consultation session in the New Year, where you can see what people have said, and share your own view on possible options to be included in the final plan.

Part 2 - Your Housing Needs

In Part 2 of the questionnaire we are collecting information on any specific housing needs that you may have now, or anticipate to have in the near future. This important information will guide the development of Drinkstone's plan by helping us understand the type and mix of housing that is required locally.

Due to the time that has elapsed, the information collected as part of the 2013 Housing Needs Questionnaire has limited value. Whilst we have worked hard to make this new questionnaire as user-friendly as possible, we appreciate that completing it might feel a little daunting. So an extra special thank you is extended to those of you who complete this part of the questionnaire.

Not all parts of the questionnaire will be relevant to you, and you will find clear instructions on which questions to skip. Also, please note, if there are questions you don't wish to answer you are very welcome to miss them out.

Please rest assured that you or your household cannot be identified by the responses.
