Mr D Reed
Acting Clerk to Drinkstone Parish Council

Dear Mr Reed

We have been grateful for your Parish Council donations in the past, and I am now taking this opportunity of attaching the latest report on the work of SARS for the perusal of yourself and your Councillors.

As the accompanying report will illustrate, our charity continues to attend medical emergencies on a voluntary basis all around Suffolk and its boundaries, including in your area. SARS has been called out 17 times to incidents in Bury St Edmunds, eight times to Stowmarket and also to neighbouring Rougham, all in the last year.

We rely entirely on voluntary donations to support our work and we would like to make an appeal to the council for a donation to help with our running costs over the next 12 months.

Our latest independently verified accounts are due to be posted on the charity commission website in the next month where they can be downloaded but we can send a hard copy on request.

You can also visit our website www.sars999.org.uk to gain a greater insight into Suffolk Accident Rescue Service and why we need your support.

We hope that the council can continue to help us maintain our life-saving service in and around Suffolk.

Kind Regards.
