

Drinkstone Parish Council

Playing Field

Report to the Ordinary Meeting Dated 2nd July 2018

Agenda Item; Councillor portfolios

- a. I have not received any complaints this month regarding “Dog Fouling” on the park. I have walked the park during my weekly inspections and have only come across one case of fouling. Although it was reported at last month’s meeting by one of our parishioners that they regularly pick, bag and bin other dog owner’s mess.
- b. I have walked the playfield and performed my own weekly playground equipment inspections and found no problems other than the two from last month.
- c. The second “half round” wooden step on the large climbing frame stepping board will need to be replaced due to rotting. **Parts on order**
- d. The remaining six “half round” steps on the mound slide are now showing signs of wood rot and will need to be replaced in the near future. **Parts being made**
- e. I now have the new wooden posts to replace the rotten and loose ones on the play equipment information sign.
- f. The new parts (seats & chains) have been delivered. I will put together and fit ASAP.
