

# **Drinkstone Parish Council**

## **Highways**

### **Report to the Ordinary Meeting Dated 3 February 2020**

#### **Agenda Item; Councillor portfolios**

##### **General**

There are no issues registered on Suffolk CC Highways reporting tool (which can be found at [www.highwaysreporting.suffolk.gov.uk](http://www.highwaysreporting.suffolk.gov.uk))

Pot holes (reported last month) on Dead Mans Lane/Hill Farm Lane are all reported as works being complete.

##### **SID (Speed Indication Display)**

Response from letter drop (asking if there were any objections), we have

Residents backing for

- i) Rattlesden Road/Gedding Road
- ii) Site between Church and Substation

Partial backing for the following where we have received no response from at least one resident.

- iii) Village Hall
- iv) Woolpit Road
- v) Rattlesden Road

Objection from two of the three residents on Beyton Road.

Therefore, I suggest we drop plans for Beyton Road., I suggest we proceed with the site adjacent to the Village Hall as the non-responder is sufficiently distant from the site. On the other two sites (Rattlesden Road and Woolpit Road) I shall endeavour to contact the non-responders.

**Prepared by Cllr Paul Selvey**
