

Drinkstone Parish Council

Allotments

Report to the Ordinary Meeting Dated 2nd March 2020

Agenda Item; Councillor Portfolios

During the last month I have visited both sets of allotments and can report that although the ground is wet the general condition is good on both sites with no maintenance required with the exception of the Tree on the Rattlesden road site, which is in hand.

There is one vacant plot on Rattlesden Road currently being used as a tree nursery for the parish, with nobody on the waiting list. In January I sent out a “Jungle Drums” promoting the benefits of having an allotment and pleased to say that this attracted a couple who have now made an offer for plot GR 6 which was due to become vacant at the end of March. There remains 1 other person on the waiting list for Gedding road who is looking for a 125 sq metre plot.

Invoices for rents due April 20 to March 21 have been issued along with tenancy agreements. Apart from GR 6 I am not aware of any plots likely to becoming available for the coming year.
