## Playing Field

Report to the Ordinary Meeting Dated 2<sup>nd</sup> March 2020

Agenda Item; Councillor portfolios

- a. I have received no complaints this month regarding “Dog Fouling” on the park. I have also walked the park during my weekly inspections and have found one incidence of dog fouling. (Ringed with marker paint)
- b. I have walked the playfield and performed my own weekly playground equipment inspections and found no problems.
- c. All other maintenance tasks/jobs are in hand and ongoing and when finished will be included in future reports.
- d. The Mole hills are still appearing from time to time on both sides of the play field but are small, I will continue to monitor.
- e. With regards to item a. above, I have now purchased a can of tree marker paint (bright pink) and will now ring each offending dog mess to not only high light the mess so you don't step in it but hopefully bring to the attention of the dog owners responsibilities!
