Tree Warden's Report

Report to the Ordinary Meeting Dated 5th Oct 2020

Agenda Item; Councillor Portfolios

1. Tree Offer 2020

I am pleased to report that I have received a good response to the Suffolk Tree Wardens Network and Woodland Trust's offer of free tree and hedgerow planting packs. Our parish allocation was quickly taken up and I was able to take most of Rattlesden's unallocated share as well. 8 separate schemes are being supported in Drinkstone this winter, which will result in over 250 trees, 50 shrubs and 125 metres of hedging being planted. Well done and thank you to all the landowners who are helping to do their bit to fight tree disease and keep Drinkstone a leafy and green parish.

2. Gales over the weekend Land of 26/27 Sept caused quite a bit of damage, bringing down a lot of branches and at least one large tree.
