

Drinkstone Parish Council

Allotments

Report to the Ordinary Meeting Dated Monday 12th April 2021

Agenda Item; Councillor Portfolios

During the last month I have visited both sets of allotments and can report that the general condition is good on both sites with no maintenance required. The new tenant on Gedding Road has started digging over and the new residents of The Old Chapel have started to clear some old shrubs in readiness for planting.

There is currently one vacancy on a plot on the Gedding Road site. It is also pleasing to see that the compost bins on Rattlesden Road are filling up.

I haven't spoken to the tenant of the land on Rattlesden Road about the hedge being cut back but this will have to wait until September now until the birds have finished nesting.

Most of the rents have been paid, just a couple of overdue who I will chase up.
