## Playing Field/Village Hall/Phone Box

**Report to the Ordinary Meeting Dated Monday 12<sup>th</sup> April 2021**

**Agenda Item; Councillor Portfolios**

During the last month I have visited the Playing field and happily have found no evidence of dog fouling and minimal activity by moles. The new equipment seems to be getting plenty of use and the older equipment is still in a serviceable condition. It was nice to see the goal net still just about doing it's job in the lower goal.

As yet I have had no correspondence from the village hall as regards the responsibilities for the Defibrillator, and they are working towards reopening the hall to some degree in the near future.

There is a request from a member of the public as regards using the phone box as a seasonal seed exchange, which I believe to be a good idea.
