## Allotments

**Report to the Ordinary Meeting Dated Tuesday 4<sup>th</sup> May 2021**

**Agenda Item; Councillor Portfolios**

During the last month I have visited both sets of allotments and can report that the general condition is good on both sites with no maintenance required. A working party was mustered 23<sup>rd</sup> April to help the new residents of The Old Chapel clear their plot of old brambles, shrubs and fruit trees so that they can re instate it as a workable allotment.

There is currently one person on the waiting list for a plot on the Gedding Road site. It is also pleasing to see that the compost bins on Rattlesden Road are filling up.

I haven't spoken to the tenant of the land on Rattlesden Road about the hedge being cut back but this will have to wait until September now until the birds have finished nesting.

Most of the rents have been paid, just a couple of overdue who I will chase up.
