

Notes for PC meeting 4th March 2024

To: the Councillors of Drinkstone Parish Council

From: Christine Emery

Re: Various

Date: 29th Feb 2024

1.Easter Egg Hunt 2024

Planning for the event is on going. Cllr Robinson, Cllr Elnaugh and I are co-ordinating the activities. Currently there are 9 confirmed children attending. Another Jungle Drums article will be sent out. Help from other councillors to encourage attendance would be appreciated. We would also appreciate help on the day and some administration tasks eg risk assessment. The risk assessment will have to take place a few days before the 23rd March which will entail walking the route to identify hazards.

2 Percussion Concert Sunday 7th April 2024

Planning and organisation of this event is well in hand .Currently have sold 45 tickets. Another Jungle Drums article will be sent out. Help from other councillors to sell more tickets would be appreciated.

3.Pub Nights

Cllr Robinson has suggested that pub nights start earlier so that parents with children can attend. I will put this suggestion forward to the next Village Hall meeting.
