Recycling and Waste Collection Changes

At Cabinet on Tuesday 10 September, we heard about the changes the council is preparing to make to prepare for the new recycling and waste collection requirements set out in the Environment Act 2021. This new law means that district and borough councils must additionally collect food waste, glass and cartons from residents by 2026, and also collect plastic film from 2027. It is up to each district and borough council how they choose to arrange their waste collection schedule, and they will be communicating these changes to residents soon. However, the county council also needs to make changes as it is responsible for storing and processing waste and recycling after it is collected. The council will be spending around £4.535m, allocated from its reserves, to update waste transfer stations in the county where waste is taken after it is collected. The council will also need to set up a new contract for anaerobic digestion of the food waste. Once again I have asked and the leader of MidSuffolk what will happen to the community bottle banks. As yet Mid Suffolk have not decided.

THURSTON COMMUNITY COLLGE; The head has been in discussion with heads of Stowupland and Stowmarket to make sure 6th form students have a good choice of subjects and travel. Still nothing new from the DFE but should hear anything in the next few weeks

Financial Monitoring Report for 2024-25

We also heard at Cabinet on 10 September about the council's latest financial forecast for 2024-25, and so far the year seems to be going better than last year, with a projected overspend of £1 million compared to last year when the council was forecasting an overspend for 2023-24 of £29.3 million. Some services are still overspent, for example costs for Special Educational Needs and Disabilities (SEND) and care purchasing in adult social care services.

Funding to Improve Home Energy Efficiency

My group were disappointed that the council is projecting to **return** £5 million of funding to the government which could have been used to improve the energy efficiency of homes in Suffolk. The Warm Homes Suffolk Scheme is now closed, but the council has heard that a similar scheme may be on its way and we would encourage residents who are eligible to apply.

Suffolk Devolution Deal Withdrawn

Following the change in government, the devolution deal which had been tabled for Suffolk has now been withdrawn, as has the deal for Norfolk which was along similar lines. Devolution would have provided the county with extra funding and power to make more decisions locally, for example transport and adult education. We wait to see if the new government come up with a different proposal.

Arts and Culture Project Funding

I am particularly pleased the council has launched its new £500,000 Culture Project Fund to support local arts and museum projects across the county after the cuts made last year. This is the bidding system for arts funding for the financial year 2024-25 which was announced by the council's administration as part of the budget process in early 2024, and will see a larger amount of smaller grants for projects and organizations compared to previous years. The fund offers three tiers of grants:

However I am concerned that small arts organisations and individual will loose out.

Small grants up to £1,500

Medium grants up to £15,000

Large grants up to £50,000

Eligible applicants include arts organizations and museums, skilled freelancers, registered charities, community interest companies, non-profits, and social enterprises based in Suffolk. For more information on deadlines and award dates, or to find out how to apply, please visit www.suffolk.gov.uk/cultureprojectfund or contact the Arts & Museums Team at cultureprojectfund@suffolk.gov.uk.

Apply for Primary and Secondary School Places

Parents and carers can now apply for a place in the normal year of entry at a primary (including infant and junior) school and secondary school for September 2025. The deadline for applications to secure a place at a secondary school is Thursday 31 October 2024 and for primary school places, including infant and junior schools, the deadline is Wednesday 15 January 2025. All applications received by the closing dates are processed at the same time using the schools' oversubscription criteria to prioritise applications when necessary. Late applications are processed after all of those received on time.

SCC advise that parents and carers think about how their child will travel to school before they apply for a school place. They can check which is their child's nearest suitable school on our Nearest School Checker because it might not be their catchment area school: <http://nearestschool.suffolk.gov.uk/>

Advice and guidance about the school application process is available here: www.suffolk.gov.uk/admissions
