Savings	£53,580.41
Total	£53,580.42

Activities:

Ken White has informed us that his complaints ref Chapel Lane have been ignored.

EN/25/00060 - 5 Chapel Lane, Drinkstone, Suffolk, IP30 9TA (UDR)

Mr White,

By means of an update.

I am writing to inform you that the planning enforcement matter has been closed.

The access being installed is part of an unclassified road, and therefore, planning permission is not required for the works. Under the relevant section of the General Permitted Development Order (GPDO), specifically Class B, Part 2, Schedule 2, no breach of planning control has been established.

As a result, no further action will be taken by the Enforcement Team

I would like to thank you for taking the time to raise this with the Council.

Should you have any further questions or queries, please do not hesitate to contact me.

Kind Regards,

Bradley Fulcher

Planning Enforcement Officer

The Cricket

Planting of the saplings was completed on 22nd February by a team of volunteers and Phil Graves Landscape Gardening.

Additional tree protectors have been ordered as approx. 20 saplings remain unprotected.

Parkers Pitches are performing their work in March:

- March 17th to scarify and weed spray.
- March 20th to verti-drain.
- Announcement to made on JD to request the area is not used on the 17th March.

Total fee for activity is £1,044 incl VAT.

Defibrillator

The defibrillator is now ready to be installed.

The telephone box will need to be cleared of rubbish and a date for installation agreed.

The Heartbeat Foundation have offered a training session – timing to be agreed with the VH and an announcement on JD to encourage residents to attend.

Grants

Locality grant for the cost of the SID is being processed.

Michael Walton
