

Item 6d – Consider the purchase of additional Grit Bins

As you are aware Suffolk County Council will no longer be replenishing Salt Grit piles. Next season 2017/18 any grit bins will be replenished but piles will not.

You currently have 4 grit piles.

Last year Cllr Otton helped you to purchase 4 grit bins with her locality budget. The cost of these bins were £99 + vat each for a 200lt lockable heavy duty green bin. As you can see below they are now slightly less.

Glasdon do a 160lt bin at £148.19 + VAT

Broxap do a 200lt bin at £89.00 + VAT

British Bins at £135.00

Recommendation:

That council consider purchasing additional grit bins.

That council consider asking Cllr Otton to help with funding from her Locality Budget.
